Playgroup

Our Playgroup provides a fantastic opportunity for mums and dads to come along, have a chat and interact with their little ones. It gives opportunities for babies and toddlers to play together in a safe and fun environment. Playgroups rely on the input and support of all involved. Parents are encouraged to plan and run activities as well as work together with the preparation of fruit and, of course, the clean-up. I believe that the Playgroup is a vital part of the school community and provides a wonderful transition for our children into pre-school.

Next Wednesday 28th June at 11:00am there will be a committee meeting in the Playgroup room. We encourage everyone involved in the playgroup to come along and provide us with your ideas and input to ensure that our playgroup continues to be the welcoming and vibrant place it has always been.

Wall Mural

I met with Raylene, an artist with Marra Dreaming to discuss the students being involved in another mural on the H wall. Raylene worked with students on the other beautiful murals around the school and is excited at continuing the work. We discussed a mural that focuses on the importance of community and how every child is the responsibility of all to provide love and guidance, to care for and to teach. We are hoping to begin work early next term to coincide with our Indigenous Art competition and cultural recognition.

OSHC

Today is the close off date for OSHC providers to submit applications to establish an OSHC on site. I will keep you informed as the process continues. We should have a result by the end of next term.

Working Bee

This Sunday we are holding our second working bee for the year. We will be mulching different areas around the school and would appreciate any help. Bring along your wheelbarrows, shovels and rakes for a 9am start. Judging by the weather forecast wellies and a raincoat would also come in handy.

Have a wonderful weekend with your loved ones and keep safe.

Sharon

Congratulations to all students on their awards this week, so good to see so many of you standing up receiving them and our very little Pre-School students. Well done!

Where did you get that Hat?

Students from Room 3, each chose a stylish hat then hit the stage in the Performing Arts Room, enjoying singing and dancing to the tune "Where did you get that Hat?". The enthusiasm and joy on their faces was priceless!

Miss Tynan was coach for the under 14's Adelaide Plains Football League. The team played in the Association Carnival last week and won 2 games out of 4, finishing in second place. Our very own Kashaya Carpenter won best on ground. Congratulations girls great team work!

PYJAMA DAY
The Student Voice Group is holding a Pyjama Day on Tuesday, June 27th. Wear your pyjamas to school and bring a gold coin donation. All money raised will go towards paying for some of the picnic rugs that Ms Jayne Tiller has kindly given to our school.
ROOM 5 PRODUCE STALL
On Wednesday afternoon, June 28th, Room 5 students will be holding a Produce Stall. We will be selling some fresh produce from our Kitchen Garden and some food that we have cooked. Last year's Produce Stall was very popular and we hope that this year's stall will be even better.
If you have excess fruit and veggies that you have grown please feel free to donate it to our school by Tuesday Week 9.
The Produce Stall will be open towards the end of the school day. It will be held in the courtyard area between Room 6 and the Library. Proceeds raised will go towards garden equipment for the Kitchen-Garden programme.
