

Respect, Excellence, Perseverance, Diversity

## From our Leadership Team

If you have been out around the Playgroup area you would have noticed the new outside play area starting to take shape. John and his group of students have been busily building various structures including a bridge, a shop, a sensory path and a petrol pump. In the centre of our mini town is a pallet planter box that will house both succulents (for ease of maintenance) and flowers to add some colour. If anyone has small succulents or offcuts that are pre-planted that they would be willing to donate to the school they would be greatly appreciated. The planter box will take up to 80 small succulents around the exterior. Please either contact the Front Office for a time **to take them directly to John's shed or drop them off at the Front Office.** The path should be completed over the next few weeks and the fence moved to connect the area with the current outside play area

### CAMP

New permission notes are being sent out to students attending the re-scheduled camp. As the camp is now happening during the warmer weather it is essential that these new permissions are signed to enable students to participate in the water activities. Please return these by the end of week 9.

### FESTIVAL OF MUSIC

What an exciting and professional performance on Friday night! Well done to all of our choir for an amazing job and to Chelsea Bennett for leading the group. Thank you to Steph and Peta for assisting Chelsea by supporting the students on the night.

Looking forward to the next couple of weeks

Sharon, Luke and Anne

## Shoebboxes of Love Fundraiser

Casual Clothes Day! Friday 17th September 2021

In Room 1, we are working together to pack 'Shoebboxes of Love'. These are boxes that are filled with Christmas gifts that are sent to children overseas who live in poverty. These children may have never received a present in their whole lives! Each student in Room 1 is helping to pack a box with the assistance of the Mallala Women's Fellowship. Each box needs to be lovingly packed with presents and shipped overseas.

One box costs \$10 to ship!

We are running a fundraiser to help raise money to send the boxes overseas. Come to school this Friday 17th September in CASUAL CLOTHES and give a GOLD COIN DONATION.

There will also be a stall selling:

- \* Friendship Bracelets Sm \$1, Lg \$1.50, with charm \$2.50.
- \* Loom Bracelet \$2
- \* Popcorn \$1
- \* Bags of lollies \$1

THANK YOU FOR YOUR SUPPORT

Jaynes Community Corner ~ RAAF Flyover, 100 year Celebration

On Tuesday we were very fortunate to be involved in the RAAF Centenary Event, which was held in Mallala on Tuesday. Anne, Jayne and our Learning Design Team walked down to the War Memorial to join in the service. Tameika and Brielle assisted at the War Cemetery where rosemary sprigs were placed on the graves by dignitaries for those fallen while serving their country. Jake and Hamish laid a beautiful wreath of Australian Native Flowers on behalf of our school.

So nice to see our students chatting to the older generation who have so many stories and memories to share, they were also fortunate to meet two Veterans, one aged 99 and one age 96, an honour for us all.

Thank you to the RAAF, Mallala Museum, Mallala RSL and anyone else involved in coordinating such a memorable event.

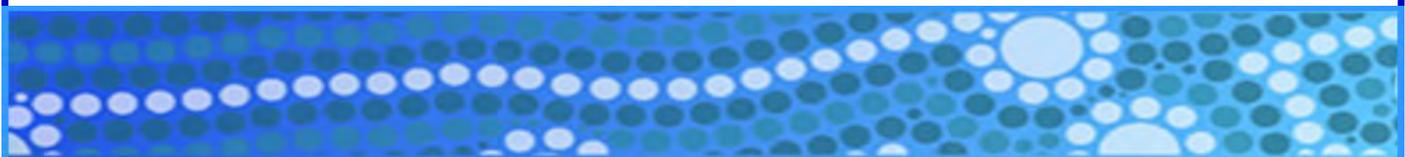

It was nice to hear comments from the local community regarding the behaviour of our students, it is always good to hear this; makes us very proud.

Rose Cavanagh ~ Adelaide Plains & Two Wells Library

It was so nice to have Rose visit the Pre-School children and share a couple of stories from the Book week collection. Rose also enjoyed working with the children on the "Stacking Cups" activity. The children were creating towers of cups to see if they could make it taller than themselves. Rose works at the Adelaide Plains and Two Wells Libraries, the library opening times are on the back page of the newsletter, why not call in and say hello to Rose and choose a nice book to read.

SAKGP ~

Jackdaniel has planted our giant Tromboncino Pumpkins and Giant Guinea Beans. We are hopeful that these plants will grow up and over the Chook Yard and help to keep our chickens cool during the summer ahead of us.

Well done Jackdaniel!
