Preschool Quality Improvement Plan Summary

Mallala Preschool

Service approval number: 1734

Goals	Challenge of Practice	Success Criteria
To increase children's capacity to communicate their mathematical thinking and theories through representation and the development of mathematical language.	<p>If educators model and engage children in shared sustained thinking through meaningful numeracy experiences and strategic questioning then we increase children's capacity to communicate their mathematical thinking and theories.</p>	<p>Through ongoing analysis of our pedagogical documentation we will see children:</p> <ul style="list-style-type: none">• Contribute to mathematical discussions.• Regularly use mathematical language in their play.• Use mathematical language to communicate thinking about quantities to describe attributes, compare and explain mathematical ideas.• Communicate mathematical thinking through representations, pictures, numerals, 3d shapes, spoken language and mark making.• Ask questions, make predictions, hypothesise and reflect on their own learning.
National Quality Framework Priorities		
Increase collaborative partnerships with families and communities		Key steps <p>A planned approach to engaging families, throughout the year, to incorporate any further impact of COVID -19.</p> <p>Collation of information from staff, families and support service providers to enable consistency with individual needs throughout the learning program.</p> <p>Setting up learning opportunities, such as cooking with the CWA to collaborate and engage with the wider community.</p>
Improve connections between school leadership and Governing Council		<p>Invite school leadership team to engage with children by reading stories or contributing to group times.</p> <p>Representation on Governing Council by parent and/or staff. Minutes to be shared with preschool staff.</p> <p>Preschool to share ongoing NQS self-review data with principal.</p>
Strive for consistent staffing arrangements to enhance children's learning		<p>All preschool staff to be involved in NQS self-reviews.</p> <p>Time allocated at staff meetings to share information relevant to children's learning goals.</p> <p>Small group Literacy and Numeracy times with a focus on the Preschool Indicators of Numeracy and Literacy.</p>
